

Petition – Footbridge for Golden Gully

September 1871

To his Worship the Mayor and Councillors of the City of Sandhurst

Gentlemen,

The undersigned residents of Golden Gully beg to draw your attention to the great want of a crossing for foot passengers between the Royal Oak Hotel on the West and the Eastern Side of the Gully

There is a private track which with a small foot bridge might be available at a small cost.

There is no crossing between the road which leads to the Belle Vue Hotel and Mr Murcotts, which is a distance of about a mile, many miners who go to work on night shifts are most seriously inconvenienced by the present state of things.

Trusting you will give the subject your earliest attention.

We are Gentlemen
Your obedient Servants
