

Petition - Stock Owners & Butchers do not think it advisable to have any change in the selling of sheep

Prayer

To his Worship
The Mayor and Councillors of the City of Bendigo

Dear Sirs,

We, the undersigned stock owners and butchers respectfully beg to inform you that we do not think it is advisable to have any change made in the present system of conducting the sheep sales at the Bendigo City Corporation yards.

Notes

September 1896- Stock Owners and Butchers

This long rolled Petition, from 90 Bendigo and district "stock owners and butchers", showed the concerns shared by these related occupations. They specifically did not want **"any change made in the present system of conducting the sheep sales"** at the Bendigo Cattle Yards.

Individual petitioners chose to describe themselves as Grazier, Farmer or Butcher; no one actually used the term stock owner. The breakdown by occupation was:-Graziers-36, Butchers-32, Farmers- 17, Manager-1, Squatter- 1, not stated- 1, illegible- 2.

Geographically, the petitioners' addresses covered the immediate Bendigo and District area (24), and numerous townships (and districts) to the north and south of Bendigo served by the City's Cattle Market (66). Examples include- Elmore, Goornong, Runnymede, Diggora, Barnedown, Kamarooka, Serpentine, Durham Ox, Sebastian, Mitiamo, Sutton Grange, Castlemaine, Karlsruhe, and Kyneton.
