

## **Petition – for Channelled part of Barnard Street**

To the Worshipful the Mayor and Burgesses members of the City Council of Sandhurst  
in council assembled.

Gentlemen,

We the undersigned ratepayers and residents of Barnard St. Sandhurst beg most respectfully to call your attention to the state and condition of that portion of Barnard St. facing the Asylum which is now a receptacle for stagnant water which is noxious and offensive and damaging to the property of the residents, and beg will accede to the request of your petitioners that the same may be channelled and a proper water course formed in order that the buildings erected and others about to be erected in that locality may be preserved from the risk and damage arising from the want of a duly formed water course and proper drainage.

Your prompt attention will oblige and your petitioners as in duty bound will ever pray.

Signed
