

## **Prayer – for Hargreaves Street East to be curbed and channelled etc**

Sandhurst 14<sup>th</sup> October 1873

To His Worship the Mayor and Councillors of Sandhurst

Gentlemen,

We the undersigned residents in Hargreaves St. East respectfully petition that the street might be kerbed and channeled and the footpath formed opposite our dwellings – The level nature of the ground renders it absolutely necessary that this should be done to carry away the drainage which at present stagnates in front of our doors.

Hoping that our request will receive favorable consideration and your petitioners as in duty [bound?] will ever pray -
