

Petition – for a road in Nettle Street

To His Worship the Mayor and the Council of the City of Sandhurst.

The undersigned Petitioners beg respectfully to state to His Worship and the City Council that they are Owners or Occupiers of properties in Nettle Street, between Old Violet and Honeysuckle Streets, and are rated to the City funds in the sum of £337. That while all the allotments on each side of the street, with two exceptions, have erections on them, on several of which rates have been paid for years, they have neither road, footpath nor light. They, therefore, solicit prompt and considerate attention to their petition to have a road formation made, from Old Violet Street to Honeysuckle Street, at least, sufficient to render traffic safe.

And your Petitioners, as in duty bound, will ever pray &c &c.
