

Petition – stating the impassable state of Duncan Street

Sandhurst

April 13th 1874

The Mayor and City Councillors Sandhurst

Gentlemen,

We the undersigned respectfully call the attention of the Council to the almost impassable State of Duncan Street. The only entrance from Russell Street on the East side is through private property and on the West side by crossing the footpath.

We therefore beg that you will as early as possible call for Tenders for forming the Street & footpath & that in the meantime you will authori[z]e the surveyor to make an entrance to Duncan street from Russell Street by cutting down the dangerous embankment that now exists on the West.

& your memorialists will ever pray etc.
